Dear Friend:

Your greatest opportunity to plan and lead the fight for Liberty--and win it-- is immediately and directly ahead.

This fact has become obvious in recent weeks, for the miracle for which we have prayed is in the process of happening. We are going to boost it along tremendously with our North Atlantic States Conference for the LIBERTY AMENDMENT scheduled for Friday and Saturday, October 20 and 21, 1972, at the Trinkaus Manor Motor Lodge in Oriskany, New York. Now that is not as out-of-the-way as it may sound, because it is right close to the Utica, New York, Airport, with free limousine service to and from the Airport.

We have a big job to do at this meeting. Attached is the general program, and the reservation forms for your rooms and for the conference. Please make your reservations early.

The program is loaded with drama and action. On Friday afternoon we want to refine and rejuvenate YOUR State Committee to arm it for the battles ahead because, even though the miracle is developing, it will not be easy. Far from it! It becomes necessary that we must not only tighten our organizations, but develop every ounce of know-how and power possible--and we have the tools to do it. The book, WHERE THE MONEY WENT, is proving enormously important. The requests for more information have forced the development of a new series of meetings, on cassette tapes titled LET'S HAVE A MEETING, that develop the answers to 75 basic questions regarding the LIBERTY AMENDMENT, and also presents and analyzes the 85 paragraphs of the CONSTITUTION plus the BILL OF RIGHTS and its Preamble.

Here comes the question of how best to utilize these tremendous tools, and get the impact of the newly informed public translated into a drive for legislative bodies pledged to the American ideal, and an administration dedicated to our constitutional principles. Suddenly the ways are opening--so come to the LIBERTY AMENDMENT CONFERENCE and let us work together to plan the road to victory for America.

Please attend. The attached brochure outlines the program and activities, and also provides the forms for your use in making hotel reservations and to register for the conference activities. See you there.

Sincerely,

WILLIS E. STONE
