Four Cancer Patients Die as FDA Blocks Laetrile	10-17-77
Hope for Cancer Patients Found in Extract of Clams	12-16-78

... look what people are saying about it ...

I find The SPOTLIGHT to be much farther along in financial matters than most newsletters and altogether superior in content to any paper I know of.

Richard Ney, Publisher "The Ney Report"

The SPOTLIGHT performs an important service in keeping our citizens informed and aware of the continuous threats from those within who lack appreciation for our system.

Representative Gene Taylor Congressman from Missouri

Our congratulations ... Health articles in The SPOTLIGHT have represented accurate reporting. We certainly could use more of this type of news coverage.

Charles Crecelius, President National Health Federation

The SPOTLIGHT is a valuable voice of reality for America. I appreciate the way you bring out specific facts in reporting the action in Congress. You are providing a great service.

Representative James Collins Congressman from Texas

There is no doubt that The SPOTLIGHT is now the most influential political publication in the country. Your hard-hitting stories and excellent exposes, presented without fear or compromise, are having real impact.

John Grady, President American Pistol & Rifle Association

... also offers these important weekly features ...

Capsule summaries of late-breaking news you should know — news much of the controlled media "forgot" to print.

How your legislators voted on the issues.

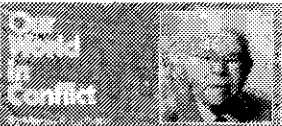

Fast-moving and informative gleanings from the foreign press that you won't find here at home.

Each week an expert guest contributor.

Inside financial news so shocking it was banned in Britain.

Tax tips and advice that can save you lots of time and money.

A calendar of upcoming patriotic events and profiles of citizen organizations.

Edited transcripts of the best broadcasts from this great daily radio program.

Photo essays of newsmakers.

... the national weekly newspaper

52 issues, still only \$16
