Dear Sir,

Enclosed you will find a new leaflet just published by Mass. PAX. This leaflet is the result of our extensive experience in attempting to stimulate group and individual activities in the peace effort. We have found it to be an extremely useful tool for both organizing new areas and stimulating new activities among regular peace people.

Details and specifics have been purposely omitted to permit flexibility in varying situations. If you wish further information regarding implementation of any of these activities, please feel free to write us at the above address. Copies are available at no charge. Because of the high cost of printing we would appreciate contributions to help defray costs. We must charge postage on orders of 50 copies or more.

Sincerely,

Flora B. Donham

Mrs. Philip Donham
Executive Secretary
