## FILL IN THOSE GAPS IN YOUR SOCIAL ACTION COLLECTION

Listed in this catalog are nearly 400 lots of periodicals concerned with social change (for a total of 9,000 individual issues). Some are well-known, others known only to a tiny few. Many are now unobtainable and some, since their publication, have vanished without a bibliographic trace. The offerings range from Communist to Nazi, from anarchist to capitalist, from racist to intergrationist--plus many that defy classification.

Each lot is fully described as to publication dates, numbering, and total pieces offered. Any damaged or missing numbers are noted. Those lots marked with an asterisk \* include Vol. I, No. 1. (A few lots include the entire run, from the first issue to the last.)

All are offered on a first come, first served basis. Shipments will be FOB Mt. Vernon, Ohio. Shipments on purchase orders accompanied by a check will be post-paid.
