take on the  
Military-  
Industrial  
Complex?**

**NARMIC will help...**

# **NARMIC = NATIONAL ACTION/RESEARCH**

NARMIC offers a unique national service. It is designed to aid and help organize community groups in taking action against the Military/Industrial Complex.

**NARMIC provides:**

1. **Factual information** about defense contracts and contractors, military installations, weapons systems, etc. NARMIC's research library contains governmental, industrial, scientific, military and financial sources of information.
2. **Guides** to help community, professional and campus groups develop research techniques and action projects around military installations, defense contractors, research centers, etc.
3. **Progress reports** of projects aimed at the Military/Industrial Complex (MIC) throughout the country.
4. **Field consultants** to help organize anti-MIC projects.
5. **Publications**, newsletters, press releases, reprints, etc.
6. A national **clearing house** for anti-MIC information.
