

Don't Let Them Take Your Guns Away !!

Article Two -- Bill Of Rights -- U. S. Constitution

"A well regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed."

In the darkness of the night, thieves prowl! Thieves who steal only money are petty thieves compared with those who steal our right to live as free Americans!

The greatest of our treasures is our heritage of constitutional liberty. So long as we have the Bill of Rights, we are free.

When men in government substitute political decree for law, their purpose is theft-- theft of earnings, theft of work, theft of living.

They can have no other purpose, else they would be willing to preserve government under law instead of control by the arbitrary decrees of men.

There is no future for the citizen under government not based upon moral principle and constitutional law.

Under it, basic freedoms are guaranteed and preserved by the Bill of Rights.

Communist Rules For Revolution

"Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless."

(Captured In Dusseldorf May 1919 By The Allied Forces)

- A. Corrupt the young, get them away from religion. Get them interested in sex. Make them superficial, destroy their ruggedness.
- B. Get control of all means of publicity and thereby:
1. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.
 2. Divide the people into hostile groups by constantly harping on controversial matters of no importance.
 3. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy.
 4. Always preach true democracy, but seize power as fast and as ruthlessly as possible.
 5. By encouraging government extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
 6. Foment unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.

7. By specious argument cause the breakdown of the old moral virtues, honesty, sobriety, continence, faith in the pledged word, ruggedness.

C. CAUSE THE REGISTRATION OF ALL FIREARMS ON SOME PRETEXT, WITH A VIEW TO CONFISCATING THEM AND LEAVING THE POPULATION HELPLESS.

*"NOTE: The above "Rules for Revolution were secured by the State Attorney's Office from a known member of the Communist Party, who acknowledged it to be still a part of the Communist program for overthrowing our Government."

What Will You Tell Your Children?

Often times, for the sake of argument, one must stipulate to certain points as facts. Let's hope that our friends who see no danger in Communism and the Communist program will agree for the time being that there is a Communist Party in the United States and that they do have a Communist program, that there is such a danger, and that the danger may suddenly overcome America, just as it did Czechoslovakia. What will you tell your children?

Let's say for the sake of argument, the Reds have gained control through confiscation of all firearms, they are in control of communications, they are in control of public utilities, they have slaughtered or imprisoned the police, they have clobbered resistance, and America lies prone, awaiting the blood purges that must certainly follow, enduring the terrifying period of vacuum before the calked heel of Godless Communist tyranny comes smashing down.

What will you tell those youngsters gathered by your knee? How will you tell them that their nation, strong, dynamic, compassionate a few years ago, is now gone? How do you tell them you stood complacently by while your government registered, taxed and then confiscated firearms? How will you tell them that you cannot go to the store and buy food for them because the store is locked against its owners and that your money is no longer any good? How will you tell them that the policeman on the corner is no longer a friend—he has been replaced by a tyrant from the steppes of Asia or from the jungles of Africa? How will you tell them that the America your fathers gave to you has been lost?

What will you say when your little son, who feels you are a Marshal Dillon or a Hopalong Cassidy asks you why don't you take a gun and go out to set things straight? What will you say when your teenager asks you what you have done to prevent this takeover? Will you tell him you played golf, or went fishing, or learned to waterski, or worked in the garden, or learned to make ceramics, or hiked in the hills, or a million other things, while our nation went down the drain??

What will you say when these children, whose lives have already been blueprinted for them, ask what they should do? How will you advise them when they ask if they should resist? What will you say if they ask you if they should continue to adore God, despite the ultimatum of the New Order? What will you do when the order comes to gather your children and ship them into State camps where they can become robots of the State?

Communist writings openly advocate firearms control, openly predict that they will seize control centers, and that the mass of the population will lie prostrate. Records show that the lawless of a nation will take this opportunity to swoop down on the unarmed, motivated in part by the same drive that causes looting after floods have driven people from their homes. Can you be sure that this will not happen—especially after you read of the riots and demonstrations that take place weekly in our great land? There is absolutely no justification for attacks upon citizens and police, and the destruction of private property. How would these same people react if all Law were suddenly eliminated?

Or, suppose you lived through the blood baths, and 15

IT CAN HAPPEN HERE

"My dear son
I am so sorry you
are going to have
to live under
Communism.
It seemed to
come so quickly.
I didn't think
their lies could win.
I guess we were
so busy with
other things.
Not enough of us
spoke up for
freedom when we
had the chance."

years from now your youngsters ask about the America that was. Will you tell them of the freedoms you had, the freedom to own a firearm and private property, the freedom to go where you wished, to do what you wished, to say what you wished? Will you tell them of the fun you had and the happiness you had? What will you say when they ask how these things happened to slip away?

Will you admit that you dismissed all efforts to halt the loss of freedoms and the drift toward socialism and communism as Right-Wing extremism and that you helped smear everyone who tried to point out the danger?

It may seem a flight of fancy to ponder what could happen to America, but remember, the Pentagon, charged with protecting you and yours from all dangers, foreign and domestic, has already made a study as to the best time to surrender! Ponder that!

If you are a father or mother, look at your children. If they are asleep, walk in and look at them—peaceful, contented, trusting. Are you doing anything to prevent just such a terrifying picture as we have printed? Do you bother to inform yourself on this drift toward tyranny? Or do you plan to collaborate with the enemy, to "make friends" with the new order?

If America is to be spared this terror, it must be because her people have forbidden it. If the people will not stem the tide, then each American must face the terror that has already been visited upon Czechoslovakia, Romania, Poland, Yugoslavia, East Germany, Latvia, Lithuania, Estonia, Manchuria, Cuba, North Korea, North Vietnam and many many other lands.

And Mister, what will you tell your children??
