

U.S. LABOR PARTY

The U.S. Labor Party and the International Caucus of Labor Committees are organizing an international working class movement to expose and destroy Rockefeller's 1984-style fascist plot. Rockefeller and his Trilateral Commission criminals are planning slave labor, mass genocide in the third world, world-wide oil and food shortages, nuclear war in the Mideast, and are now unleashing massive CIA-brainwashing networks to murder the minds of political and militant workers. The U.S. Labor Party campaigns are attacking to destroy Rockefeller's fascist brainwashing criminals.
