Dear Key Contacts,

Many of you have probably heard about the Manhattan telephone building fire which has knocked out 170,000 phones in New York City. Unfortunately, the NCUUA phones are among those out of commission, and it now appears it will be 6 or 8 weeks before repairs are completed.

Since it's impossible for us to do business during this critical period without phones, we've decided to move to new PERMANENT quarters, where we'll also have more space to work in. We'll be sharing space with Americans For Amnesty and Clergy and Laity Concerned. Hopefully this will mean greater efficiency for all of us, thus turning bad news into good.

We're so rushed at the moment that we'll have to be back in touch as soon after we move as possible. Until then, please note the change, and stay in touch.

For real peace and total amnesty,

THE NCUUA STAFF
