

REVOLUTION

1 - Revolution is certain. Millions of Red Chinese dollars, Russian Red dollars, New York Red dollars, underground Red dollars and Black market Red dollars with bank accounts in Geneva, Switzerland are being used to finance this Black revolution which will be organized as a guerilla warfare. Blacks are being systematically trained in a wide variety of locations and believe it or not, many church buildings are being turned over to these Blacks as training headquarters.

2 - The most sensational fact concerning the Black revolution is not in the behaviour of the publicized militants like Carmichael and Brown and Cleaver and their ilk. The sensational fact is that these militants, including the Black Panthers are receiving sympathetic treatment from the so-called moderate and conservative leaders in the Black community, such as the leaders of the NAACP (National Association for the Advancement of Colored People) and the Urban League and such so-called sophisticates as Ralph Bunche. Individuals that pose as non-violent leaders such as Abernathy and the widow King have now become an integral part of this violent conspiracy to subdue the White man and to render America completely chaotic. They are counting on the cowardice, the naivete, the ignorance and the sentimental sappiness of the White man.

3 - They plan to completely overrun the United Nations by a formula of integration which goes beyond anything that the average American has noticed so far. The conspiracy for mongrelization includes the following:

a) Subsidize the purchase of homes so that Blacks can come into the best communities and price homes and whatever money they lack in order to buy a home for \$20,000 or \$30,000 or \$40,000 the balance will be made up out of a special governmental fund manipulated by the HEW (Department of Health, Education and Welfare).

b) By spending billions of dollars on buses through the coercive power of the new dictatorship - the HEW - they expect to pick up millions of Blacks that now live in the slums of our great cities and dump them into the clean, sophisticated, refined neighborhoods of America - not only within the limit of our great cities, but throughout all the suburbs of the great cities.

c) By mixing these young people and children with Whites and by denying all White people the facilities for isolating themselves or separating themselves into White communities, they know the weaker elements in both races will multiply -- especially in view of the fact that the cultural organizations of America are breaking down and beginning to justify premarital sex relations. Then, although it is now beyond the belief of the average American, new regulations will be made which will make it a criminal offense to refuse matrimony to a Black because of his race just as it is being made a criminal offense to refuse to sell a home to a Black. As the torture and tyranny of a mongrelized bureaucracy increases, a campaign will be organized to abolish racial lines and forced intermarriage will become a bureaucratic ruling.

4. Millions of guns and truckloads of ammunition are now in the hands of the Blacks, hidden in cellars and stored in points of availability. The guerrillas are being trained to cut off water supplies, blow up transportation facilities, dynamite freeways, start forest fires, poison water systems and in cities where fluoridation has already been installed, they have only to raise the quota of this rat poison chemical in order to wipe out whole communities designated by their highly-trained revolutionary leaders who are not only being trained in the cellars and catacombs of America but are being trained in the arts of revolution in Havana, Moscow and Peking. The object of the International Establishment which controls and manipulates the formula for chaos is not to raise the Black to power. He is merely being used as cannon fodder and as a blood-letting instrument to do what the enemies of Christ and the enemies of civilization have determined to do for many years; namely, destroy America, render us depraved, perverted, chaotic, bankrupt, mongrelized and with the name of Jesus Christ evaporated from our whole civilization.
