

HISTORY:

The NYA was founded after the 1968 elections to provide the young people of this country with an alternative to the drug usage and lawlessness of today's campus left. A void was filled and the response was immediate. Thousands of young people joined NYA in the first few months of its existence. NYA has attracted the most outstanding right-wing Advisory Board, including some of America's most distinguished academic and military figures. NYA has selected as its symbol the mathematical sign for inequality, for a forced "equality" means slavery for all — free men are not equal, and equal men are not free!

ACTIVITIES:

The National Youth Alliance has constructed a program of ACTION to implement these four goals.

NYA ACTION UNITS around the country are supplied with the necessary materials, and participate in constructive Action Projects announced each month.

RIGHT POWER PROGRAMS have been staged in almost every major American city — awakening young people to the dangers that surround them, and recruiting them into Action Units! This dynamic new approach has revolutionized patriotic endeavor!

OBJECTIVE:

The National Youth Alliance has, as its objective, the protection and perpetuation of the great traditional values of Western civilization. NYA is of world historical significance, for its members are inspired by the pro-Western philosophy of Francis Parker Yockey's masterpiece, **IMPERIUM**.

ACTION SEMINARS are currently being run to acquaint our members with the tactics of the militant left, and to provide instruction in methods for dealing with them. Such instruction is a must for anyone desiring to hold an uninterrupted meeting on today's campuses.

4-POINT PROGRAM:

1. NYA opposes the use of dangerous drugs and narcotics, and pledges to run those who push them off the campus.
2. NYA pledges to neutralize and overcome Black Power — in particular the unjust demands made upon the educational community.
3. NYA opposes SDS and other anarchist groups which would destroy America.
4. NYA opposes U.S. intervention in foreign wars, such as the no-win war in Vietnam.

PUBLICATIONS:

Our publications also play a very important role in the implementation of our programs.

ACTION is a monthly newsletter received by our members, supporters and friends. It carries news of what NYA'ers are doing around the country, provides ideas and projects for Action Units, and educates its readers to the perils of liberalism and anarchy.

ATTACK! is NYA's recruiting tabloid which contains information about the organization's programs and policies. It has proven enormously effective in educating and recruiting young people on high school and college campuses.

"THE FIRST REAL EFFORT, so far as I know, to bring together the scattered and silent elite of American youth is now being made by the National Youth Alliance. . . This could be the turning point for which we have so long hoped."
