

October Fine  
FSB Morning

Dear Folks,

Just wanted to write to let you know that all is well. We came back to the hill yesterday morning by helicopter. Was sure glad to get back and get cleaned up a little. We had been out for 20 days again and it rained quite a bit of the time.

I got a letter from you today along with one from Wanda & Paula. I had three packages waiting also, one from Larry, John, and you. They were all in good shape and I

was glad to get them.

Also we were paid yesterday so I sent some dollars home. You should get the one for \$1.75 and also one for \$50. I sent \$50 to Fary so he could send me the watch.

Also you can forget the koolaid for a while and put in more instant hot stuff, like soup & tea. I got everything else OK.

I want you to find out if there is still time for me to get an absentee ballot. I think I have until election day to request a ballot. Check with the county clerk today and let me know soon.

We are supposed to start  
a cycle of 12 days in the  
field and 4 in the fire  
base. I doubt if it  
will work, it never has.  
Anyway I will write  
again before we leave.  
Nothing exciting going  
on to write about  
right now.

So long for now,

Gary.

P.S. notice the SP/4 now.  
The Army doesn't have  
corporals anymore.
