

November 1968
FSB Mary Ann PVN

Dear Folks,

I will write another quick note this morning. I never seem to get everything written at one time for some reason or other. Oh well, it doesn't cost anything to write so I shouldn't grieve I guess.

I got your letters and the box OK and also letters from John Larry and Paula. Joe Hobbs said he wants to stay in Dodge for good no matter what he has to do. I can't see why he

doesn't get along better
where he is at but I
hope he finds what
he wants in Dodge.

Before I go on my
R. & R. I will have to
have cash, check or
money order for at
least \$250.00 - that
is an Army regulation.
Go down right now
and fix me up with
something because I
will not be able to
leave country without
that much dollars.

We haven't been to
Chu Lai yet and it
looks as if it will be
a white-bonnet 20. I

doesn't seem fair to
me, we are already
two weeks late and
everyone else has been
in for November. Our
battalion commander has
committed us to a
task force operation
in some other battalions
Area of Operations. He
must be trying to
impress someone but
it sure gave us
the ass. Diano is the
best in battalion and we
end up getting screwed the
most. Be glad when I
leave here. They only got
a little area six months

left to fool with me
then its my turn to
be on top.

Well, I still have
a few things to pack
so I had best get on
it. It is drizzling
a little now so maybe
we wont leave a little
later today. I dont
want to go period.

Well, I let that
be it for now. Make
your plans for
Christmas accordingly
and have a care.

As Ever
Jay
