

JANUARY EIGHTEEN  
LZ YOUNG, RVN

Dear John -

I got your letter from December a couple of days ago. It was good to hear from you - hope you had a nice Christmas and holiday. It was about the same as usual here - nothing out of the ordinary going on.

The weather has been real nice for the past 5-6 days. It has been getting up to 80° in the afternoon and 65° at night. It hasn't rained at all in the last week - thank God.

I am presently working as Night Duty NCO - get to run the battalion by myself all night. Good thing nothing ever happens at night. It isn't too bad except I have a hard time trying to sleep during the day.

It is now 3 AM - have to call Brigade and tell them all is OK. Will write more later.

HAVE A CARE -

As ever,  
Gary
