ANNEX A

Within the geographical areas of EL DALLASDEN and FT WORTHING, the countries political leadership is coming apart at the seams. Internal arrests of former national affairs officers are taking place for conspiracies to damage the leadership. Economic performances have been adversely affected by the recession. Public sector deficit has been widened markedly as a result of careless spending. In military, the morale problems are attributed to inadequate ideological education rather than the harsh conditions of military service. Majority of soldiers in these countries respond by adopting a passive attitude and serving out their tours doing the absolute minimum. Orders are not followed, guard duty regulations are being ignored, and general disciplinary violations are numerous. Intoxication is a factor in the majority of all crimes. Failure to salute, sloppy wearing of the uniform and excessive familiarity are cited as violations of the military discipline. Deficiencies in training exist due to low quality of instructors and absence of experienced troops. This is not a fighting force.

REUNION '97 IN DALLAS

June 6th, 7th, 8th

After waiting 25 years to reunite, the consensus was "Why'd we wait so long." So we're trying to get the "Flying Circus" back together again. Reunion '95 was like finding long-lost relatives (the kind you invite back again), and through the effort of our "locating" committee, we've managed to track down a few more "Animals" to balance out our roster for this get together (Lead pilots beware...Scotty and Pait have a few things to say to you).

We hope everyone will be able to make it to Reunion '97 at the Dallas/Ft. Worth Airport Marriot the weekend of June 6th through June 8th. Once again the Marriot is offering us a discounted room rate of \$69 + tax per night. For those of you who forgot how to decipher an operations order (courtesy of our OPS,NCO Andrejs Bedelis), call 800-228-9290 or 214-929-8800 for reservations. Cut-off date to ensure a room(s) is 23May. Room reservations and payment are your responsibility.

We will have a hospitality suite open Friday noon.

For those of you flying in, American Airlines has offered us a 5% discount off any advertised fare, or a 10% discount on their 7 day advance purchase coach fares. Call AA at 1-800-433-1790 and make sure to tell them the STAR FILE # S0967LD. This arrangement is valid 5Jun97 through 10Jun97.

When you arrive at Dallas/Ft. Worth Airport, call the Marriot for their complimentary shuttle to the hotel.

We are planning a Saturday night dinner, and a Sunday morning brunch. The hospitality suite will be stocked with beverages and "lrrps". Drinks will be available through the hotel.

The cost per attendee is \$65.00. Please send this, along with your confirmation, to Greg McCarthy, 257 Hallman Avenue, Oceanside, New York 11572. Those procrastinators amongst us can call Greg at 516-763-2363 or Mike Cunningham at 803-790-6039.
