Subject: Biographical information on LTG Magruder

COL Thomson,

Thank you very much for your information and assistance. I am the Vietnam Editor of the Americal Newsletter published by the Americal Division Veterans Association. We have about 4,000 readers composed of WWII and Vietnam veterans. The newsletter is published quarterly.

I have obtained biographical information on LTG Magruder from the internet to include the FORSCOM website. LTG Magruder was assigned to the Americal Division in Vietnam. I would like his permission to use the biographical information in an article in the newsletter.

I would also like to ask if he would like to answer a few questions or make some comments to add to the biography. The following would be of interest:

1. Any comments to or about those that served with him in Vietnam.
2. How did the Vietnam service affect his later service.
3. Major changes between serving at that time and serving now.
4. Plans for the future, planned assignments.
5. Any other comments that may be of interest to our readers.

Please let me know if you require additional information. My deadline for the next issue is the end of April. I will be happy to correspond directly with LTG Magruder if he would wish to do so. I will also forward him a preview copy of anything I propose to publish.

Thanks for your help.
