September 29, 1996

Dear Gary,

Here are some legal papers that were served on me. I have sent you a copy of my response to these charges. The Association may have to hire a lawyer to protect our interest, if this case ends up in court.

Every thing else is going along pretty good at this. All the rooms at the museum have been painted now. The members that go to the museum two day a month have the place in pretty good shape and all will be ready for the June Reunion. We have made arrangements for the Saturday night Dinner-Dance to be held at the armory that the museum is located in. A cater has been selected. Professional Bartending Service Inc has been hired for Saturday night. The hotel will provide the bar services on Thursday and Friday. We will have a band all three nights. The cost of the Dinner-Dance each night will be around \$25.00 each night. The cost of the rooms at the rooms at the Crowne Plaza Hotel 10 Lincoln Square, Worcester, MA 01608 will be \$75.00 plus 9.70/0 tax single or double each night. The committee that will run the Reunion **Bernie Chase**, Al Doig, Ed Stuart, Joe Mullen and Vietnam Vet. Paul Fairbanks from 1/46 Infantry. The committee will have a meeting with the Mass. National Guard to see what kind of support they will be able to give us for the Reunion.

Membership is at 115 new members since July 1st. It should pick up soon as our add in the VFW Magazine and the Vietnam Magazine will be out in the near future. Joe Chin has been in and out of the hospital two times since the Reunion in Reno.(heart problem) Dues money is coming in good. We will be having a meeting at the museum on Saturday October 5, at 10.00 a.m. Thats about all the news from here.
