Dear Dave:

For the past several weeks I have been considering the appointed posts of the Americal Division Veterans Association. I have decided to appoint Les Hines to the position of Vietnam Historian for the 1997-1998 term.

Les has acquired a great deal of information on the Americal Division in Vietnam and he has been very generous in sharing this information with all interested parties. He has been named in several books as a helpful source of much needed historical data. I want to encourage his efforts to research all possible sources of historical information on our division.

I appreciate the fine effort that you have made as Vietnam Historian in the past several years. I hope that you will continue to pursue your activities and to work closely with Les to provide a complete picture of the Americal Division in Vietnam. There is much work to be done and it is indeed a noble task.

Please let me know if I can be of assistance in any way. Thank you for all that you have done and will continue to do.

With best regards,

Gary L. Noller
National Commander
