Dear Mary,

Your things with you I'm doing ok. The nurses are still coming in every other day.

I have just added 12 more ships to my Americal list. we are up to 67 ships now used by the Americal Div.

The General who was in charge of the Amory here in Worcester has been fired - He is out. We now have a col in charge of the Amory.

We are looking forward to spring coming. I want to get out more - we had 1 good

big snow storm 10", and a couple of
mellons.

Al Doug is putting on a St.
Patties party at the museum for
the 8-10 guys who help we
run the Museum. Things are
going great for me. I want to
get out more and looking for
warmer weather. Say hi to
Missie for Dave & me.

Stay well.

Love & Jan
