Colonel Carvell,

I have been coordinating with my Vietnamese counterparts re: the May trip and meeting with the NLF troops we fought against (both VC and NVA). Also the 2-day change for Tam Ky. Enclosed in the schedule I have suggested we travel from Quy Nhon to Tam Ky and initiate trips to Hiep Duc, LZ Mary Ann, Hawk Hill, etc. time permitting.

There will a group fee of \$300.00 for the proper clearances in the provinces, dinner with the VC, additional interpreters, etc. Should we decide not to arrange the meeting there will be no additional fee.

I have suggested that we arrive in Saigon on May 11<sup>th</sup> and terminate in Ha Noi on May 30<sup>th</sup> flying back to Saigon, then departing Saigon on May 31<sup>st</sup>. (21 day trip). For the 16-day trip we would terminate in Hue on May 26<sup>th</sup> fly back to Saigon and depart from Saigon on May 27<sup>th</sup>.

Regarding the scheduling after Tam Ky we could RON in Da Nang on May 13<sup>th</sup> and RON the following day May 14<sup>th</sup> in Hue.

Please pass on this information ASAP if possible, especially at the reunion. My website is still under construction but should be up and running soon. I have also included some new and old pictures of the Hiep Duc area, Ranger Bob's story (company profile), and some posters for you to take to the reunion. I am dedicated to making this thing work and during my 3 months of travel I have garnered some great connections, essential in gaining access to battle sites, finally I have a genuine personal interest in taking other vets back, for some to satisfy curiosity, for others to gain a sense of closure.

Take care,

*Bob*
