Dear Mom + Dad + Leg

How is everything at home
hope everything fine and doing well
I am doing fine here. I am in
share of all the welding in fact
I am the only welder they have.
We have about 15 trucks + Jeep
all together. They don't have
even half the welding tool you
~~did~~ need to work with. They even
have a arc welder they had one
but they said it wasn't so
good so they gave it back in
you so the way the Army is.
But their talking about getting
one. Because you can do much
welding without a welder. I
will be doing some machine
work to.

~~Will~~ you something it really
make you how good you got
it at home, then you see how
~~the~~ some of the people live over
here and they eat. I just got
done eating I'm 62 we had
meat loaf, potato and pea. We
had a rifle inspection this morning
we all pass.

Me and a another gi build a shalled
 for the office. I am not doing
 any welding yet because they
 don't have all the part together
 yet. They don't even have any
 steel to make a cart for the welding
 tank. Tell you the true they ~~start~~
 are starting by rack by the look of
 fool they see for welding. May Dad
 have you ~~find~~ sold any saw
 or pump lately. How are you doing
 in the shop and on the bus. Tell
 everyone I said hello. We are going
 to build a shop of our pretty
 soon right across the street were
 we are now so that will help
 some. May mother how are you
 doing in town in lately. May Lea
 How are doing at the dinner.
 Lately has Bill or Mike been in
 lately. Hope you are doing fine. So
 take care I will stay good by for
 now. So take care & God Bless

P.S. the
 how the
 weather there
 it is raining ever
 night since I bin
 here
