Dear Arthur,

Hi! How is everything coming along by you. All is just fine here. I just got the mail and we received your letter. I am real proud of you it sounds like you are doing a real great job. I am glad you like your work. You surprised me when I heard you are driving the Army trucks.

So in your last letter you said you went out for pizza & Hamburgers. Do they taste as good as here. I didn't know they had that stuff out there.

It will be real nice if you got to see Guy. It will do both of you a world of good.

Daddy is out on the Bus now, and Oscar was here. We talked for awhile. I told him I was

writing to you and he told me
to tell you he says hello.

The Dimes send their love,
They all ask how you are.

You know my girl friend
Simmy. Well, she wants to write
to you. So I hope you don't
mind if I give her your
address. It would be nice to hear
from her.

I am starting a new page. I don't think you can read the writing on both sides of this stuff.

I will number my letters so you will know which one I write first.

You asked how the boys are. They are just fine. But went home to Kentucky for a week.

Steve is at the gas station still. He was off yesterday. He is getting a 20 day leave on the 14th of Oct.

I go bowling tonight with Sammy. That should be a ~~real~~ blast.

There isn't too much happening in Bayville, all is pretty well the same.

Natalie and Sammie are fine. Sammie was over the other day.

Spart & Tiddy send their
love & they miss you. They have
been getting along good lately.

I haven't seen Billy or Mike
yet. They haven't been around. I
was off work for 2 days. Maybe I
will see them tomorrow.

Well hurry I will be going
for now so I can get this letter
off in the mail today. So take care
& God Bless you.

I love & miss you very ...
much

Love Leo
