Dear Arthur,

Hi Honey, I sure hope all is fine with you. All is real good here.

We got a letter from you today with a picture of you in it. It looks like you are all ready for some action.

It was raining today, I went into work and there was a leak all across the front counter. That was a real treat working with water dripping all over.

Last night I went out with Jimmy. We went and had a couple of drinks. The night before I went to the movies with Jimmy & Darlene. We saw "The Producers". It was about an old man who had a lot of old ladies as girl friends & he used their money to make a movie & sold them the shares of the show. It was real funny. So funny it stunk. (80)

Today was Mother's & Dad's Anniversary. I bought a vase of flowers with the Blessed Virgin

in the middle. <sup>(2)</sup> I got it for  
them ~~for~~ from the both of us. So don't  
feel bad because I included  
your ~~an~~ name also. I baked  
Daddy a big apple pie from the  
both of us.

On the 13 is Mathus birthday  
& on the 15 is Daddy's. I will  
buy a real nice gift for them  
from the both of us.

Natalie was our niece today.  
Aunt Flo & Uncle Ray were here  
also with the kids.

Grandmother is starting to drive  
around with her car. She won't  
go on the highway yet. But she  
drives on the non-traffic roads.

I saw Billy the other day  
& he asked how you were. I  
gave him your address. He said  
he would write. I told him to  
give it to Mike also.

The deers send their love  
& they always ask me how you

are doing.

Bill is due home Wed. He went home to Kentucky.

I still see Steve. The last time I was out with him was Sat. We are real good friends & get along good.

Joe Lawyer was over today. He said one of his hound dogs were killed by a car.

Tiddy & Sport are fine. That sporter got sprayed by a skunk again. He is a real bugger.

Here is a picture of me you can put in your wallet. I hope you like it.

How are your working hours. I bet they keep you busy. It sounds like you like your work alot. that is real good. That you like it. It helps alot.

Sam & Pat & the Kids are all fine. So are Nat & Roger all.

Well, honey I guess This will
