Dear Arthur,

We Horney, sure hope all is fine with you. We are all just fine here. Everyone is doing fine.

I just finished work a little bit ago. It was real slow today.

I saw Mike & Billy, they are just fine & asked about you. I told them you are just fine.

Mother loved the flowers we gave her & Daddy thought the Apple pie was delicious.

I am off for 2 days at work. I think I will clean the house up real good.

We received two letters from you today. I am glad to hear all is fine. I can't wait until you send the pictures.

I saw Steve last night.
I went into the gas station
he was working. I only stayed
about 20 min. He is still the
same old guy.

But should be getting back real
soon.

How are all your good looking
buddies out there. Tell them I
said hello.

Pats brother Bob who works
at the Exxo station was asking
about you & I told him you
were fine & how you got into welding.

Steve was asking about you
also. He was glad to hear you
are in welding.

Well honey I will go now
so I can get this letter into

the mail today.

Today is Mark's last day
of work. The body is going to
Florida.

So she will be able to
be home now. I am glad she
isn't working anymore. That job
really gets to her.

So be good & Take good
care. God Bless you and
I love & miss you.

With My Love

Lee
