Dear Arthur,

Hi Honey, How is everything going for you now in the rice country. Hope you are in good health & doing fine in your work.

Well, today is Wed. I am off from work & slept until 10:00. That's early for me. Lu. Then I got up & called Natalie for awhile. Then I cleaned the house. I cleaned the whole house up stairs & down stairs.

I think I am going to get into the painting mood & start painting.

Mother went to see grandma today. She is doing just fine. She is coming over Sunday.

②

for Dinner. I don't know if she is going to drive over or have one of us pick her up.

Daddy is doing okay in the shop. Pat Lippolitto was over last night & talked with Daddy for along time.

I went for a ride with Jimmy. We just drove around & around. Then we decided to go see a girl she works with then we came home.

Mother bought herself a jacket today. It is a real nice ~~coat~~ jacket.

I am going to get my wash & ironing all done today.

I didn't give Jimmy your address yet, but I will. She wants to write & say hello to you.

I sure hope you are getting these letters by now.

Teddy bear & Sport are just fine. I will take a picture of them & send it to you. So you can see them.

Well honey take care & be good. I love & miss you very much.

God Bless you, and hope you don't have to work too hard.
