Dear Art.

10/9/68

At St. Jois Again.
I got the welding torch and
Mother is going to package
it and mail it.

Dezze came in to-day
Bobby was out working on
The Cucular 120 Model Saw.
Buck Scamp came in from
Stofford Sawship and got
a chair & 2 files. Ocean Co.
Road Dept got a chair too

Oscar came in again to-day.
We had T.B. Exrays at school
to-day.

They are pecking Aankins
at the Boy on the way to
The Park way. Thy Bone.

some kind of Rotay affair
that moves along slow and
turns slow like a side delivery
Hay rake. it loosens the Cran
berries and they float on top
of the water.

Ernie Wilton got an
ape Hand and 1/4 file. I brought
them over to school.

Sammy tore down a building
in Ocean Gate yesterday near
Bay Setua. He brought the Doga.
back this morning I passed
him on the ~~highway~~. It was
the big one.

Chris came in from Art
Seymour Co. He said the Ford truck
looked good.
Love. Dad
