Dear Art:

I was so surprised when Bill got a letter from you saying you were in Vietnam. The last I heard, you were in Alaska - and I thought you weren't going to have to go to Vietnam - I guess you just traveled by way of Alaska to get there, huh?

It's so everything over there Art.² A lot different from the U.S.A., see bet. Does it stay hot over there all year round, or do they have cold weather too. I hear the whole place is pretty wet and swampy.

Imagine being only ten miles from Guy Chamberlain - you'll probably meet up with him, because he is a wilder too. Is Guy south of

you or north of you?

Is there any heavy fighting where you are or is it pretty quiet? And how about Guy. - are they fighting Leany where he is?

Have you met any body else from this area over there.

I guess it isn't really bad as long as there isn't any bad fighting where you are and if you have some free time to get out and go somewhere once in a while - but let bet the food is lousy. - Are there any mountains there Art - or is it just flat land with high grass?

There was probably plenty of wildlife there before the fighting started. Imagine it scared them farther back in the country. - Well, Art, sure hope everything

gives well for you and take care
of yourself.

Write when you can - and I
hope you get to see Guy - I know
he'd be as happy to see you as
you would be to see him -
If you do run into him - tell
him I want to know if his
arm is broke - don't hear much
from him lately.

Is there anything you'd like to
have - or need - List? Don't
hesitate to tell me if there is -
Anything I can do for you - I'd
be more than glad to do -

Take care and Good Luck -

Fondly,
Mrs. Dudley (over)

Am trying to get Billy to write
but you know how he hates to
write - but did promise me he'd
write to you this week -
