Dear Art

How is everything by  
you. We are all fine. I worked  
at the shopping Center. I ran the  
pan all day.

We were all short on our  
pay this week. So we went to  
the Union Hall. They are saying  
to strike Johnson tomorrow. I  
hope they do. I am fed up  
with him.

I might go to work for  
Mango. I was offered a job as  
foreman. Don't know how much  
pay I will make. He is saying  
to let me know tomorrow  
afternoon.

Well how are you - nothing

2/ out. Hope you aren't working  
to hard. Are you painting any  
more trucks. ☺

Howd Worth and his wife  
is supose to come over tonight  
In about a hour. We are going  
to drink some beer.

Well guess I will say off here  
and say we all send you our love

7.5.  
are you laboring  
yourself  
! Bob!
