Dear Art.

10/14/68

At St Joe again
Sat and Sunday were busy
at the shop. Sammy helped
me some or I would have
had a lot more problems.

Johnson was on strike
so he had some time to
help.

Sammy went to work
for Manza this morning.
He brought his pickup
home and Johnson told
him if he wanted more
to quit and the union
sweated on his pay. Sammy
more so Sammy went to work
for Manza.

Bob Cadmus came in and
gave me 200.00 more on acct.

It was our last night.
he had trouble with his truck
car. Gene Hoggerty the fellow
that brought your pickup came
around helped. He adjusted
the valves. A 1962 6 cyl. Had
less diff. & value than your
first pickup and they were
too tight.

Joe Hawke was in got
a 21P and an XL-12. Another
man and his wife came in and
bought a 1100 Pioneer 12' Bu-
Out an Car too same front end
got 2 - 1015. Traded in a 101
Bushman Honda and a Pioneer.

Baldron was in today when I left
got chain sharpened and Bar
ground. I rented a 21P for 1 1/2
day. Love Sam.
Love Dad
