Dear Art

How are you making out.
Hope you aren't working to hard.
Well I started my job with Mary
today. It was real nice. I ran a
backhoe in the morning. And then
I ran a grader in the afternoon.
They sent me out with Mike Mays
brother. He was running the grader
in the morning. So he asked me if
I could operate it. I said I would
try. It was a old Cat. I ran
it all afternoon. I guess if he
didn't like the way I ran it
He would have run it himself.
They sound like a real nice
outfit to work for. You should
see their plant. It is in

Mathewen. It makes Johnson
plant look like a peach of shit
You should see all the Auto Cars
he has. They are in real nice
shape. He just got some new
ones the are all yellow. And some
of them are a real dark green.

He has a lot of equipment too
But and I went to Johnson
yesterday. And towed my pickups
over to Black. I took some primer
and painted the doors. Dad said
that if Johnson was on strike
he didn't want them to think
Johnson parked his trucks there
and wreck his trucks too ☺

Anyway I didn't want his
momma in it anyway.
