Dear Art

How is everything? I was glad to hear you got your buisc. Hope you enjoy yourself driving those big trucks. I was also glad to hear you got the Ford pickup for your shop.

By the way you asked how Patsy was doing with her new shoes. Melissa was the one who got the shoes. The kids are all doing fine. They are full of hell.

You asked how I was doing at work I love it. By the way I'm making \$5.00 an hour not \$4.00 real nice. They are real nice people to work for. They don't bother you at all. I passed a school in Duck Township. Today. It turned out real nice. Two of my laborers didn't come to work. So the work was pretty hard.

A State Trooper stopped
Two trucks Mongo rented right

in front of the job I was doing
and gave them both tickets for
over water they cost \$500.00 apiece.

He almost shit. Because Mango had
to pay for them because he loaded
the trucks over water.

Pat and I went over to
Shond mother. And she gave me about
six pairs of pants and shirts they were
pretty nice

That special note you sent
us was pretty funny Pat. laughed her
head off when she read it.

The man that owned Atlas
asphalt. Came on the job today and
offered me a job. But I said I was
working for Mango not Johnson.
He said that if I ever quit
Mango. To come to work for him
He asked me how much money
I was making and I told him
He almost shit. I guess he figured
he would had to pay me good

if I worked for him.

Well I can't think of much more to say I will write. It was a real pleasure to get your letter. We will send you pictures as soon as we can get some. We send you all our love. Take care
