Dear Art.

Hi, I felt important Friday
I got two letters from you.

Sunday Roger had some
trouble to cut down for a guy
at work. he made \$35 on it plus
he delivered a load of wood.
he has 3 more loads of wood
to deliver. Roger hasn't
had enough time to work
on his truck last week.
I hope he can get it
done pretty soon.

Sharon is suppose to have a Halloween Party in school this month. Sharon brought home a paper from school asking for some of the mothers to help shaperone at the school trips and school party. Now that mother is done work I asked her ~~to~~ if she could babysit for me if they asked me to help at school.

I'm going to ~~help~~ help Sharon decorate a pumpkin I told her she could take one

small one to school.

Royce would love to have some of those 40 ft. logs. say a ton of them 😊

Royce's ~~great~~ grandmother is doing pretty good.

Yesterday the baby cried till he got sick, because he didn't want to go to sleep.

The kids are doing pretty good. Johnny still has a little cold. Royce went to the doctor Fri night. the doctor put him on a diet. He wants to try

to loose weight.

Just think Christmas will be here in two months. There isn't too much time to shop. It will be here before we know it.

I haven't heard any news from Mom about Paul Fogak.

I'm sorry to hear about Mr. Abbott. Its a shame they have to do that to a nice guy. The nice guys seem to always get hurt.

I hope they send him back.

I'm going to stop so
I get this letter in the
mail before I miss the
mail man. Little Roger
calls the mail man - Batman.

We take care Hon. and
continue letting us know
how you are doing.

I miss my brother

All our love Roger, Natalie
