Dear Arthur,

Hi Honey, I am sorry I didn't write to you yesterday. I will write two letters today to make up for it.

I was so tired yesterday when I came home, all I could do was sleep.

You will never guess what happen. About 5:00 pm Bill called. I was sleeping and mother woke me up. She said Bill was on the phone. I didn't think he would ever call again. I thought he only went back home to Kentucky for a week. But he had his time extended and stayed 20 days. He just got back yesterday. So he asked me to go out.

We left at 7:00 pm. We went to Luriton to see the Dune in Movie. But it was closed. So we decided to go for a drink. We stopped at a place in Belle

(2)

called The Captains Cabin. When we got inside it was a restaurant. He said he was starved. So we had dinner. I didn't eat dinner at home because I was so hungry.

I still wasn't hungry so I just had a bowl of Chowder. But had a flounder platter.

It was really great. Then we went out to Lakehurst. We talked for a long time. I got home about 12:00 pm. I had a swell time. He is so nice. I talked about you & I showed him the pictures you sent. He liked them. He is going to call me tonight.

Believe me, I will never go out with Dave again. I am so glad. But still like me & I will not mess around on his. Time. He is so nice. He likes to spend money on me too.

He is suppose to go on another cruise in November. It is a 6 month

Cruise to the South Pole. That would be awful. He wants to try to get out of going. He has already ~~summed~~ 17 months cruising. I ~~am~~ sure hope he can get out of going.

Right now I am waiting for the telephone company to come & put in my phone. They haven't come yet.

Mother went shopping with Aunt Flo. They will probably be gone all day. (1)

Daddy is outside working Jean is out there also. Bobby Owen was here but left. Earl Ray & Jimmy Winter were in also.

I washed my car outside a little while ago. It just got done. It looks pretty good.

I think I am going to wait a day or a New car. I don't
