Dear Arthur,

Hi Honey, how is everything
coming along by you. All is just
fine here. I just bought some
new pens. They are like Magic Markers.
I got 12 of them for \$1.99.

I bought a book to read called
The Exhibitionist. It is supposed
to be real good.

I went to Sam's to try on
his old boots. They are big but
they will be okay.

Tonight was trick or treat. We
didn't get any kids. Just Natalia's
kids & that's all. Teddy & I sort
kept barking & scared them
away I guess.

Mother went out to dinner &
then to Grandmother's. I think
she should be home pretty soon.

Thursday.

Today I am at Natalia's baby-sitting. She went to Sherono Halloween Party at school.

I am watching Roger + Johnny.

I saw Steve working at the station last night. He looked up at me, but I wouldn't even look at him. He sure was something.

Tomorrow night is the masquerade party. I can't wait. I sure hope we have a good time.

I might have lunch with Doran + his girlfriend today. I have to wait + see if she

calls.

How is everything by you
coming along. All is
fine here. Mother didn't
have to go to work today.

Well, Honey, I guess this
is all for now. I can't think
of anything else for now.

I haven't seen Mike or Billy lately.

As far as I know Paul
is coming along just fine.
I hope all will turn out for
him.

God Bless you & take good
care. I Love & miss you very
much. ^{LOVE} Mom Love & Dad
