Natalie had an accident with the car Sunday at about 2:15. Some one ran her off the road at Lawrence she hit the double pole at the Cities Service that used to be Pat and Housewrights. Little Johnny was with her he got hurt but is O.K. Nat is still in the hospital but the Doctor says she will be alright and is doing fine. The car is pretty wrecked Roger brought it home to his father's farm - Mill place. Natalie was pinned in the car for quite a while they had to cut the car to get her out. Riverview wrecker from Hooper Ave and 39th came with the equipment to get the car apart.

Some one cut her off. They
came out of the street from
Bay 14, driving and passed me
and kept on. The Police are trying
to find the car.
