FRI.

Dear Art.

It rained today started
1:AM. Thursday. Joe Lawler
came in early this morning.
He had a chain to be sharpened
and checked 2 other saws. We
tried to see the grinder
where as it sharpened the chain
till he couldn't see the
chrome part & good so he
put on my glasses he said
they were good for him so we went
to work with 5 & 10 and he got
a pair and I got two more
pair. I got some well it
and a pair of plyers and
a light adaption Hitch.

I sold the saws in from
Joe Romans. He bought an 80
foot short. But an chain
Umsen 14" and new chain 69.
sold it for 95.00-

Stanley Babbly got here at
night Wed at 9:00 PM I had
to put a head gasket on his
XP1020 while it was open I
put in rings and gully bag.
and new oil. when he left
it was 12:15

Trillars & Reed & Wilber
Come in put new style clutch
in their XL-12 Bike the spec
in the old one taking it out.

Art Meyer brought 2 Lipe XL
and 3 - C-72 saw last night
had a lot of small port fast back
kutter.

Coast Guard want a lot
of Port for the XL Pump.

Sam and Pat went up
to see Nat. last night, the
was pretty good. Mother goes
up about 2 more each day.
