Dear Art

went to see Natalie she was in a better spirit. She was moved out of the room she was in. She was in with 3 old women. & two kept talking about dying. She is so pleased to get out of that room. She had three bouquets One from Adies Fire Amy & 3 from men at work friends of Roger. We didn't get her flowers she wants gown to wear. I'll have to split it them down the back. I'll try & get some tomorrow. I will try & bake tonight. Baby was so crossy last night. Roger went out & got another cross bottle.

3/
He said the other didn't work
but it does. He just didn't
wait long enough. Mrs
Chamberlin told me that Guy
is going to Bermuda Dec 1.
Hope you ~~both get together~~
~~soon~~. Have you tried to see
him? Little & the baby are
going too. Johnnie seems better
this morning. We are
taking ^{children} ~~them~~ to see Natalie at
1 o'clock ^{Need} Nurse said he ~~took~~ could
take them. Hope they don't upset
her too much. They probably won't
want to go home.

It looks like we are going to
have rain I hope not we
had enough. Love & take care
of your self. We all miss you terribly
