Dear Art,

How are you doing? Thanks
a lot for the card for Johnny.
and me, I really liked them,
Yesterday I got two letters
the cards from you.

Sharons Halloween party
at school was very nice all
the kids looked cute. I'm
sending you a picture of
the kids of what they looked
like Trick or Treat night. At
Sharons party at school
I let her wear Rogers
because his clown suit

turned out nicer.

I hope the kids aren't giving anyone a hard time at home.

They tell me they are pretty good. My Johnny goes to Dad a lot. The nurse is going to let me see the kids for a few minutes Sunday around one o'clock.

I asked Lea to please take some pictures of the kids to send you.

Sharon is talking better since she started school. Boy do I miss the ~~the~~ kids.

We will have to have a celebration when you come

home.

Mom & Dad got me perfume,
Roger gave me a watch. Sam & Pat
got me a cute stuffed dog. Lea
gave me flowers. So I did
pretty good.

Please don't mind my
sloppy handwriting, as it
is the best I can do.

Well I'm getting tired
of writing. So take care
and please don't worry. the
doctor says everything is
going to be o.k.

All my love

Kate

P.S. thinking of you always & miss you very much
