Dear Art

I had the kids today.
Lea's car wouldn't start
this morning. So she took
over. May Britton came
over & took me to the A.P.
to get my Turkey. I
asked Sammie & Pat. Pat
wants to eat with her
mother this year. I asked
mother Mary Minter.
I'll ask Roger. The
children were good
today. Pat brought
over a Pumpkin Pie
it is very good.

wish I could give you
a piece. I got your
money order. No I
didn't get your shipping
done. I will soon.
I must get with
it. I couldn't bowl
worth a darn tonight.
It is a waste of
money for me to bowl
I just can't seem to
get with it. I think
I will quit this year.
I want to make some
cranberry sauce tomorrow.
Do you remember the

big house was Clay
had on the water. Dot
said it burned 3:40
this morning. I will
ride over tomorrow &
see it. Paul is walking
he will be home for
a while but has to go
back to the Hospital
after. I'll close for
now. We love &
miss you so much
Love
