Dear Art

Rogers mother had
the kids over the week
~~end~~. I didnt ask Roger
to bring them over. I
figured if I have them
for 5 ~~day~~ it dont
hurt her to have them
for 2. Roger always
wants them over the
week end but he always
pushes them over on
his mother. I have been
trying to catch a cold
today. I feel better
tonight. I went to see

(2)

Natalie today she is
getting tired of being
in the Hospital. She
~~will~~ be there for quite
a while. She is doing
fine. I just don't seem
to get at those cookies. I
am so ashamed. I Promise
within the next 3 days
I will. I want to get
my Turkey tomorrow.
I also want to make
cranberry sauce. I have
quite a few boxes.
I bowled tonight
I did alright. We

took 2 games. I am going
to have the child tomorrow
daddy just came it

~~It is almost 10 o'clock~~

I'll close take good care
of yourself. we all love
& miss you.

Love

Daddy, Mother & Lisa
