Dear Art

yesterday I forgot to
tell you. The Red Cross
called & asked about
Natalie. Carol has
called them & told them
to find out about Natalie
& how bad & if they
should send you home.
I told them she is off
critical & will be ~~OK~~
she will be in Hospital
for a while yet. They
said about 6 weeks I
told them. They wanted
to know about everything

(3)

as much as we would
love to have you home.
I just couldn't have
you taken from me
again 😊 It is so hard
and maybe send to
the front line when
you would be sent
back. I could of had
you home I know
but this way you
will be home & stay
sooner 😊 you Daddy
ask me not to ask
you to come home
when it happened to

instead, I was crying
the next day & had
the no of the Red
Cross in my hand
and almost said for
you but glad I didn't
you will be out that
much sooner. I'll

Close for now take good
care of you we all miss
you. Love

Mary Mother & Lea
