Let us PRAY:

Dear Lord, as we are gathered around
the Table as one body bless us -- our
Families -- our Friends -- our country -- &
our meal on this special celebration
of the Reunion of the 12 EVAC Hospital.

Let us Remember those who are unable
to be with us tonight and those who
have died.

Please protect all our Troops on
active duty especially those in ~~Southern~~ Afghanistan.

We PRAISE you in all your glory & give
thanks for our many blessings & may we
never forget that we are one NATION
under God & be ever diligent against
evil forces.

We PRAY For all nations & an end to
Terrorism.

MAY your holy Will be done. Amen
