

26 Nov 1965,

Dear Mom + Dad,

Well It has been about 6 days since I wrote last. We were out on a big operation for the last 6 days. We really got tired but thats about all.

Not to much has happened around here. I haven't been able to sleep to good because of the Artillery firing all night. It is our Artillery firing out so nothing to worry about.

The war over here is getting worse but not around here. We don't do much here except walk through the jungle. This is about all. We got

tired & hungry & thirsty but
not much else. I can't
really say that I have seen
any VC. They are impossible
to tell from the good guys
over here. That's the bad
part, you don't know who
you're fighting.

We cannot seem to find
them either but that's ok
cause I'd just as soon as
not find them.

I imagine by now you
are probably done picking
corn and getting ready to move.
It will be kind of funny
to come home to Hinton instead
of A.C., But home is home anyway.

Say why don't we just keep
my car. I been thinking about

it and It would be nice to
have it right when I do get
home. I hope that when I get
home we can go to Jeans + Bev's.
Marvin will come home then.

I hope he stays around home
& not go to Chicago or someplace

Well I guess there isn't
much else to write so I'll

close. When we get back off
this operation we had had a lot of
stuff stolen. Money & everything.

Well I'll write tomorrow

Love Ray
