Dear Mom + Dad,

Well here it is 7:45 AM.
I thought that I would write
early in the morning instead
of waiting so long in the
day.

There hasn't been anything
happen between yesterday
and today.

We had Thanksgiving day
on Friday and was the
dinner ever good. I sent
home the menu that
we had. Some of the stuff
on the menu we didn't
have but a lot of it
we did. That was by

Far the best meal we
have had here. Wish
we could eat like that
all the time but it
just wont happen that way.

I got a letter from
Barnett & Betty yesterday.
They sent a picture of
them & the kids.

Sure be glad to
get home & eat Ice
Cream.

Not too much to
write about around
here. It gets kind
of boring here doing
nothing.

they are going to
start an airline service
up here so guys can

go on pass to Saigon.
That will really be nice.
Yesterday was the first
day that the men have
had off since we have
been here.

Well I think I'd
best close & get to
work.

Will write again
tomorrow.

Love Ray

P.S. I think I'll just
keep my car. It is
real good in snow so
go ahead & use it a lot
this winter.

Did Stubs Folk come
down for dinner that
Sunday.

I have to write to go
them to sometime.
