

31 Dec. 1965,

Dear Mom & Dad,

Here it is the Last day of 1965. All is quiet around here. Right now the Company is out on an operation but should be back in soon.

I haven't been on an operation for quite a while. I guess I won't be going for a while either.

I have been in charge of the Company about 6 times so far. I'm glad the Capt. thinks I'm capable enough to take charge and lead the Company on an operation.

You should see the day room
my Platoon built down at
the 91MM. Mortars. It is
by far the best around the
Battalion. I took some pictures of
it and I'll send the rolls home
soon.

Did you get my other pictures
developed? Did they turn out
alright or did they flop. Sure
hope they came out good.

I went to Saigon day before
last. I made down with a
convoy. Sure had a lot fun.
I went down to the big Navy
PX and ate 2 cheese burgers, French
Fries, ~~chocolate~~ Malt and a
chocolate Sundae. Sure tasted
good. Maybe I'll get back
again soon to get some more.

I have to write to some of
the people who have written
to me but seems like there isn't
enough time to.

We got a radio relay station
in up here so we can listen to
the radio all day if we want to.

Well there isn't much
else to write about here so
guess I'll close.

Love Ray
