

to Jan 1966

Dear Mom + Dad,

Well I finally have time to write. I have been real busy lately and have not had much time to write.

Not much has happened lately around here. We did go on a 3 day operation though and destroyed 45 tons of rice the VC had stored up. we also destroyed a Battalion base camp. So in all it was a successful operation.

We never lost anyone either.

I don't know if I will be able to write for 30 days or not. We have a

Big operation starting tomorrow
so don't worry if you don't get
any letters for a while. I'll be
ok. We will get a good rest
after that.

The Radio + watch work
fine. I use the radio a lot
over here so I can listen
to it when I'm back.

I sure will be glad to
get back home for a
while. I put in
for Ft. Ord, California
when I get back to the
States. It is supposed to
be a really good post.

It is basic training so
that will be an easy
job. I sure hope
I got it. It will be

quite a way from home
but it will only be for a
while.

Well I got a meeting
now so will close for
a ~~little~~ while.

Love Day
