LTC Edward P. Metzner, PSA
Chuong Thien Prov.

Dear LTC,

It isn't very often
That someone comes along
in your life that effects
and inspires you to be
a better person and to
think more deeply into
your job, your life, your
goals and your under-
standing and sensitivity
to others. You are one
of these people, and
serving with you has
enriched my life and
ideas, and I am grateful
to have been an associate.
As you have often

said, "we in Chuong Thien
with Team 58 have a
special bond." I will
always remember these
days with great
affection and appreciation.

Every best possible
wish for your success
in the future, and
I know we'll meet
again some time - maybe
at an old movie.

Regards,
Will
