My dearest brother!

I have just come from hospital after staying here for 10 days because I was sick. Now I have a convalescence.

I received your letter on 27.6.66, I am very happy. At the same time of your letter, I received your citation of medal of honor too. Quickly, I translated it into English and sent it to you. When I received the diploma, I will mail to you. For your gallantry of medal, I remind the personnel officer, he said General staff will send it as soon. I follow every day and I hope I can get soon for you.

- I inform you a new, I will go to the U.S. in 1967 (January) to attend the prog. war and c.a. course, but I don't have completely joy because January you come back U.N. I will be alone there. Maybe November or October I will go to Saigon to test the language, I hope I can pass it.

— My brother! When you come back Pentagon, you write to me. Each time I received your letter, I become happy and joyful. In the

asked me about you. She said, she hope to meet you soon again.

This morning, I discussed with Aspirant Frank about your recommendation, he is very happy and he will send the thank letters to the U.S. bands. He will do what you tell in the letter. I sent your regards to everybody. Now I close my letter, I wish you, my sister nephews a good luck and happiness.

Respectfully.

Your younger brother.
