Dear Mr. Metzner,

I would just like to start off by thanking you so much for taking time out of your busy schedule to talk to us. It truly meant a lot that you were able to share your heart touching stories with young high school students you don't even know.

Right now in U.S. History we are learning all about the Vietnam War. To be honest, I didn't really understand everything going on throughout the Vietnam War. Now that you have come and explained the first hand experiences I have opened my eyes and I'm really starting to take in all the information. Your information has given me a better understanding about the whole Vietnam War. I loved that when you spoke, no matter how serious the information you were giving was you were still able to use humor freely throughout your time talking to us.

I truly enjoyed everything you talked about. You were a great speaker one of the best Mr. Agan has ever had. Thank you so much for everything you have done. Your time was greatly appreciated not only by me, but by everyone who attended. Thank you once again, for everything.

Thank you,
Krystal Smith
