Dear Colonel Ed Metzner,

*Thank you for sharing your thrilling war stories with my history class on Tuesday. They fascinated me. It's amazing that you experienced all those wars and were able to help out our country.*

*I had fun learning new things about the war while trying to see it, through your eyes. I also enjoyed seeing your decorated jacket with all of your medals and ribbons. It was nice finding out what the ribbons meant.*

*I hope you have also enjoyed sharing your stories with the class. I am most appreciative of your taking time to visit our class and filling our heads with new facts and thoughts about the wars. Thank you, once again.*

*With Gratitude,*

*Celeste C. Sosa*
