Dear Col. Metzner,

I want to take time to thank you. I want to thank you for taking time from your personal time to come to our U.S. History class and share your experiences with us.

I also want to thank you for fighting for our country. Thank you for all the information you gave us about the Vietnam War. You helped me understand the Vietnam war a little better. Thank you for telling us about all the different groups. It was very interesting.

Once again, I want to thank you for everything.

Sincerely,
Cristina Ceja
